“ Dear Maria, Micheal, and Joe
I worked with Kevin at Euclid Hospital from 1980 thru 1996. I just wanted you know how sorry I'm to hear about Kevin's death. I know the most important people in his life were you and his sons. I remember him talking about going out with his sons and getting a tattoo. At the time I thought what a personal way to create a memory. May it comfort you to know that you and your family are in my prayers.
