“ Nancy, Kevin

There is only one thing to say besides the fact that I love you and the attitude that you have adopted and the way you have embraced God and that is that Kevin made me feel like I had a son that loved me, he treated me so good and I loved to spend time with him, but so did everyone else. I will never forget when I moved into your basement and the first morning I woke up and the boy's were standing next to my bed just staring at me, Pat first then Kevin and Colin and with the age difference and height difference Pats shoulders up and Kevin's a little smaller and Colin's head. I laughed till I cried. Love you and I wish I spent more time with Kevin.
