“ I had the pleasure of working directly with Kitty at MRI. She was a caring, sweet, and dedicated person. I will always remember Kitty providing wisdom and insight into issues with humor.

I am so sadden to hear of her passing. My prayers are with her family and many friends.

“ To the family of Kitty, my heart and prayers go out to you. Please accept my condolences.

Kitty was a soft-spoken but resilient. And I found out in the last few years I knew her, she was a very social and fun-loving woman. I worked with her for seventeen years but had the most fun with her as a member of a ladies group, "The Sisterhood of the Wine". I never laughed so hard as when Kitty was there.

She will be sorely missed.

“ *Kitty and I stated to work at MRI Software around the say time although we were in different areas of the business and seldom worked together. I found her to be a calm and sweet person.*

I know she was a woman of many talents. She once did some custom sewing for my elderly father and we talked about her gardening.

She will be sorely missed by all of us here at MRI Software.

“ *I had the pleasure of working with Kitty at MRI Software for almost 7 years. From the day I started, Kitty was a wonderful mentor and friend. She always would listen and offer a shoulder to lean on when I needed it the most. Her insight and sense of humor will be deeply missed. I extend my deepest sympathy to Kitty's family and friends. Rest in peace, Kitty. Meow!!!*

“ *Kitty was a wonderful, sweet person, who would go out of her way to help people.*

I met Kitty when I started working at MRI 14 years ago. She was my mentor in the QA department. We worked for several years together. Kitty gave me a piece of spider plant for my desk. I eventually took that home and that plant has grown into many plants that I have around my house. I always think of Kitty when I water them.

For many years she would give me raspberries from her garden, which I loved. She will be missed by all of us who knew her at MRI.

She now has the peace that only can come from God.
