In Loving Memory of Kristine K. Marian

With heavy hearts, we announce the passing of Kristine K. Marian, known affectionately as KK or Kae, on January 23, 2024. Born on August 22, 1983, in Cleveland, OH, KK brought joy and laughter to all who knew her. Her vibrant spirit and infectious laughter touched the lives of many.

KK was a cherished daughter of Sherry Marian and the late Mark Bora. She shared a special bond with her seester Heather (Alex) Huth, who stood by her side throughout life's ups and downs. KK's love extended beyond her immediate family, as she was also adored by her grammy, Pauline Marian, and many cousins, aunts, uncles, friends, and her beloved dog, Red.

A natural leader, KK proudly dedicated 4 years to Harbor Freight as Logistics Manager. Her determination, sharp mind, and ability to bring people together made her an invaluable asset to the company. Outside of work, KK had a zest for life. She delighted in the art of cooking, bringing people together through delicious meals. Her comedic nature made her the life of the party, and her infectious laughter brightened every room she entered. As a devoted Cleveland Browns fan, she was always there to cheer on her favorite team.

KK's memory will be cherished and celebrated by her surviving fiancé, Chris

Money Penny, who shared a love with her that was truly special. Her impact on the lives of those she touched cannot be overstated. Though she has left this earthly realm, her spirit will forever live on in the hearts of all who knew and loved her.

A celebration of KK's life will be held on Sunday, July 14, 2024 2pm till 7pm at American Legion, 570 East 328th Street, Willowick.

Let us remember the laughter, the love, and the joy that KK brought into our lives. In this time of mourning, let us also celebrate her incredible spirit and the legacy she leaves behind. May her soul find eternal peace, and may we find solace in the memories and love she shared with us.

Rest in peace, dear KK. You will be deeply missed.

“ I have so many wonderful memories its hard to choose sweetie. But one was the day you and daddy and mommy brought you here to Texas to live with us when daddy went to work with uncle Ed at our car dealership in Ozona. You were such a precious joy and even that young you always kept us laughing. You were such a good little girl. And the most recent was in September when you and Heather met us for dinner at Pizzazz it was our favorite place to eat with your dad too. I think they must have remembered us from last visits cause they sat us all the way in the back. Krissy kept us laughing so hard I thought they were going to throw us out. What an awesome time as always. We closed the place up. Even the drive taking you home was a blast then pulling up to your apartment I realized you were living in the same apartment complex that my girlfriend and I lived in over 54 years ago. That was the coolest. We will miss you forever Krissy and you will always be my little Krissy. I love you so much.
