“ Kurt, It broke my heart to see that your life on earth was over. Although I hadn't seen or spoken to you for many years, I can still see the smile in your eyes and hear your voice, you were a good friend . I hope your life was happy and full of love while you were here, I think of you often and all the great times we had together. I am sure you are smiling down on us!

“ I'm so sorry that we never spent as much time together as we should have and that we didn't get to say goodbye. I never thought things would turn out like this but life is full of surprises and I guess I just have to take it as it comes at me. I'll still think about you everyday and no one will ever forget you. You were an incredible person. I'll never forget everything you did for me and all the love you gave me.

*I love you always grandpa.*

*God looked around His garden  
And He found an empty place.  
And then He looked down  
upon the earth,  
And saw your tired face.  
He put His arms around you,  
And lifted you to rest.  
God's garden must be beautiful,  
He always takes the best.  
He knew that you were suffering,  
He knew you were in pain,  
He knew that you would never  
Get well on earth again.  
He saw the road was getting rough,  
And the hills were hard to climb,  
So He closed your weary eyelids,  
And whispered "Peace be thine."  
It broke our hearts to lose you.  
But you didn't go alone,  
For part of us went with you,  
The day God called you home.*

*your ALWAYS in our hearts.*

*Love,*
