

Kyle Christopher Fisher

August 20, 1999 - July 29, 2025

Kyle Christopher Fisher, 25, born in Medina, OH on August 20, 1999, passed away suddenly on July 29, 2025.

Kyle spent his entire childhood in Medina, graduating from Medina High School in 2017. Among his many interests, a few stood out as particularly important to him. He had a deep love for all animals, both big and small, and an equally strong passion for music. He was almost always seen with his pods in, immersing himself in his favorite bands whenever possible.

Beyond music, Kyle had recently discovered a new enthusiasm for cooking, often watching any Gordon Ramsay show he could find. Furthermore, from the moment the first book was released, Kyle was completely captivated by Harry Potter. As a true fan, he devoured every book, attended every movie premiere, and even owned his very own wand. In addition to his love for music, cooking, and Harry Potter, Kyle cherished finding the perfect spot on a beach to watch the sunset, always eager to capture the moment with a photograph.

Above all, Kyle was known for his caring heart and always being there for anyone who needed him. He cared greatly for everyone in his life and was the most loyal and compassionate son, brother, grandson, nephew, cousin, and friend who will be forever missed.

Kyle is survived by his mother Kimberly Mahoney (Brian Taylor); his father, Ralph Fisher; his brother Cody Fisher (Kyleigh); his nephew Jaxon Fisher; his grandparents Mary and Kevin Mahoney; his aunt, Colleen Aston (Eric); and

his cousin Kaitlyn Mahoney.

Family will receive friends on Sunday, August 3, 2025 from 3:00pm - 6:00pm at Monreal Snick Funerals & Cremations 35400 Curtis Blvd. Eastlake, Ohio 44095.

“ I remember when we used to watch Harry Potter on replay until we wrote down and memorized every single spell. Then we'd go play Harry Potter for hours at nana and papas house. I remember riding our bikes to salzeys.. actually called Zsalays farm market but we called it salzeys. We'd get slushies every time. We would also always ride to one of the bridges by nana and papas house and make the semi trucks honk for us. I will always love every memory we shared together. We were best friends
