“ Growing up in Willowick with the Ledenicans across the street and the Turks down the street was like having an extended family in the neighborhood. We all went camping together and had great fun through the summer and holidays. I will miss Beanie but always remember her as a fun loving spirit and part of our family.

“ I am sorry to hear of your mother\'s passing. I remember when we were in grade school together and junior high and I would come over your house and your Mom would help us make shaved ice and put red kool-aid over the top and then we would sit and watch movies and she was always so nice.

“ We feel most grateful to have a continued friendship since moving to Florida. We are so pleased to have had a wonderful visit with Beanie and Al this February at The Villages and having that last jitter-bug together even though she had twisted her ankle and was using a cane. We danced to "Give Me That Old Time Rock and Roll". Lots of memories here over the years to keep her memory alive.
