“ *I'm so very sorry for your loss. I will be praying for peace for all of you during this difficult time. Getting to know "Pap" myself over the last 16 years was a privilege; he was always so kind and welcoming to me. The thing that stands out most in my mind when I think of him is the giggly-laugh that didn't quite match the gruff demeanor you first encountered, but that let you see what a fun-loving person he really was. I hope you all are able to find solace knowing he is laughing in heaven now and free from any suffering. Love to you all.*
