“ *I spent an amazing couple years riding with Laura and Larry before taking a motorcycle hiatus. I ran into Laura at the grocery store and we all linked back up and took a ride to Presque Isle earlier this year. I am honored, and it was a privilege to be able to ride with Larry again. He is the kindest, nicest soul I've ever had the privilege to get to know and I consider myself luck to get one more ride with him. You are already sorely, sorely missed my friend. Rest now.*

“ Larry was one of my boyfriend's best friends for years. Joe and Larry were the two who just loved to ride their motorcycles almost daily (rain or shine, hot or cold). They loved to go for long rides and just see as many sites as they could. I got to know Larry well as well as his girlfriend of many years and loved them both. Larry will be sadly missed by us, especially Joe. RIP my friend.
