“ Dr. Scott my friend. I so looked forward to our morning texts about our plans for the day, our belief in God, our love of our families, and staying strong in our battle. I already miss hearing from you in the morning. It won't be the same. I will live my faith by knowing that you are happy, healthy, and surrounded in God's love and the love of family and friends that have gone before you. You were an inspiration to me in what you accomplished in your life. God bless your family. We will meet again buddy. Peace
