“ Lee was truly a one of a kind! He was like a grandfather to our son and daughter and they grew up with him as oír neighbor at our cottage. He and Jean made the cottage and our time there so special! We loved playing games at night and enjoying great conversation, laughs, and ice cream. We will miss seeing you Lee but know you are looking down on us, with Jean, from heaven!

“ We have so many fond memories of Lee and Jean! Camping, kayaking, playing Sequence, and sharing our faith. Going out to eat, walking in the woods. We spent almost every Wednesday with them for several years. We miss them both.
