“ *I met Leland when I started at Lubrizol in 2007. He was a diligent and hard worker. He never had anything unkind to say about anyone or anything. He held his family close to his heart as he talked about them often. He will be missed by us all.*

“ *My deepest sympathies to the Yee family. I am very sad to hear this news. I work at Lubrizol and have been in the same department as Leland since 2004. He was quite a guy at work and after visiting the funeral home on Thursday it is obvious he was a great guy at home and in the community. He will be missed by all.*

“ Michelle,
I know that words cannot ease the pain you are feeling right now, but know that you and your family are in my thoughts and my prayers at this difficult time. Keep your memories close to your heart and those that you love even closer. It helps!
With love and warm thoughts,
Dana

“ I worked with Lee for a number of years and he was always friendly and good to talk to. We LZ Mechanical Test Lab, lost Rick Graziano in October. It's very hard to be on the outside now looking in, and see these men you've worked with for years, passing on. I will miss Lee. You all are in my prayers.
