“ Dear Forsythe Family,

I would like to express my sincere condolences to you for your loss. Losing a loved one to death can cause us a lot of pain and sadness. However, one thing that has helped me during such difficult times are the comforting thoughts found in the Bible regarding our dead loved ones. Notice what it says in the Bible at John 5:28-29 "The hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." So God promises a time when we will see our loved ones again by means of this resurrection. Take comfort in knowing that one day soon you too have the hope of seeing your loved one, Mrs. Forsythe, again.
