“ *May it comfort you to know that death cannot diminish the important ways "Leo" touched your life, that grief cannot take away the happiness you shared, that sorrow will fade in time... but love remains forever.*

I just wanted to share my sympathies. I am the dayshift nurse aide who helped in taking care of Leo. I truly Loved him! Leo has a special place in my heart, I will miss him forever.

“ *To the Family of Leo Preh:*

Please accept my sincere condolences on your loss. It's so unfair that death has the power to take our loved ones away, but the Bible provides as wonderful hope for the future. Jesus made the promise at John 5:28,29 that says "...all those in the memorial tombs will hear his voice and come out..." Isn't that wonderful! This means in the future Jesus will resurrect those who have fallen asleep in death. I hope that this promise brings a measure of hope and comfort to you and your family during this period of mourning.
