“ Leon Robinson, a very handsome guy. Anyone who knew him would wonder why?

When death comes, although we know not when, it is just another chance to live again. In a place where there is no pain or sorrow...and thanks to God, we do not even have to worry about what the day holds for tomorrow. All the toils, trials, tribulations and strife were just a journey that is part of life.

A son, a brother, a loved one and friend, we know dear Leon we will meet again.

Unitl that time comes, may you be at rest. For those who believe in Christ knows that God only selects His best.
