“ *Dear Cuilli Family,

I am so sorry to hear about Lee. I can remember how he was so sweet to Linda and myself when we wanted to see any musical group. He watched over us on Princeton and of course drove the boys away from his sister and myself! I have such fond memories. Love to all...Marie*

“ My sales and marketing travels for Dymo and Esselte from the 70's on, often took me to work with Lee and left me with many friendship impressions of Lee as a talented, fun-filled colleague.

Lee will be remembered for the nice person he was, and for the good life he demonstrated to his family and friends.

“ Dear Marge,

It is with great sadness to hear about Lee. I liked him from the first time I met him back in 1973 at the first Dymo sales meeting. Getting to know him quite well over the next 17 years and working with him very closely for the last 10 years I was with Esselte was pure pleasure.

I have great memories of us travelling to our many meetings, trade shows and Century Club Trips. I remember at one of them Bahamas I think when that comedian brought him up on stage trying to use him for his act and Lee destroyed him. I leaned over to Sherry and whispered...we may have a fight here in the making! He had a gift for humor and wit and knew how to enjoy life.

He was always joyous to be with and his laughter was infectious. His card games bordered on hysterical, making up his own rules and I always thought he didn't care if he won or lost just how much he could annoy you. He was the most enjoyable business associate I have ever had the pleasure to be with. I will miss him.

“ Mrs. Cuilli, Sal, Kathy, and Lee,

I am so sorry about your loss. Mr. Cuilli was an amazing person. He was a beautiful person, always treated me and my entire family with so much love and respect. I will miss our shared family Christmas's and Easter's together where Mr. Cuilli would sing karaoke and all of us would dance and sing along. I will miss his quick wit and funny stories he would share about the kids or the old times with his Brother Larry. I'm glad to have met you Mr. Cuilli and I know that you are watching down from heaven looking after your family as you have always done your entire life.

We are Praying for the family and that God may be very close to all of you and your loved one during this most difficult time. Love Mary and Jeff Fuller and The Peric Family.
