“ My favorite memory of Mr. J ( and I have many.) has to do with his secret recipes that he would not share. Anyway I was having a gathering and wanted to do some potatoes, just not sure what kind. So Jodi tells me her Dad has something awesome in his recipes files but told me not to get my hopes up because he really didn't share his recipes. Well low and be told he said he would share his recipe for "mashed potatoes". However he asked me not to share this recipe with anyone on fear of death. Well it's been over 29years and I still guard his secrets. I also still make this on occasion. I WILL MISS YOU MR. J. Always enjoyed talking to you at Jodi's house or at Kayla's. Rest in the comfort of our Lord.
