“ Tom & Wells Family,

*I am so sorry and saddened to hear about your Mom's and wife's passing. I have many great memories of your mom. I am embarrassed to say, I first got to know her sitting outside the principal's office at LHSE my freshman year while awaiting my sentencing from Mr. Wallace where I really appreciated her kind loving words and calm demeanor. As I got to know her better through school, work, college and family events I always felt like she treated me as though she were my own mom. I know a lot of others felt the same way. What a loving person! I was really blessed to have known her.*

*God Bless You and I am so sorry for your loss.
