“ Dear Elmer and family, I was so blessed to have known sweet Linda through K.I.S. Home Group. We always would look in eachother\'s eyes and practically hug eachother before we actually did! We had a love for eachother as did so many who came in contact with our sweet friend. She and I would laugh out loud when I would tell her of my Muskie fishing trip to Leesville Lake down by Frog Holler!She loved our fellowship and never judged anyone. Family, I believe with all my heart that God puts special souls in our path to show us how he wants us to live. I will pray for God\'s strength and healing for you. In our Father\'s House there are many dwelling places, if it were not so, would I have told you that I go to prepare a place for you? Knowing Linda changed my life so much for the better. Better than a Halleluiah!

“ Dear Linda's Family,
I met Linda many years ago when she came to work at the APA back around the late 70's. I had the pleasure of working with all three of the Marzec sisters there at one time or another. "Ni Ni" and I were secretaries in a small office. We did nearly everything together --worked, took our breaks walking daily to the corner store for Linda's favorite crunchy-style Cheetos, had lunch together, shared rides, and even attended Tri-C together in the evenings for awhile. We were a great team at work; we had a ball and never had an unkind word between us. When there would be a stack of typing to share, each of us would rifle through the pile looking for the right report to choose to work on -- not for the shortest or the easiest, but for the hardest one -- each trying to help out the other, always. She was one of the most beloved employees ever -- capable, hard-working, generous, and always smiling. She is truly one of the sweetest and kindest souls I have ever known. She will always be fondly remembered by those of us who were lucky enough to know her. Our deepest sympathies to all of you.
Loretta Newlen

I remember Linda as well. from the APA. I worked in a different unit but I occasionally stopped by the west side office. It was always a pleasure to see her. I agree with Loretta's description of "Ni Ni" completely. She was a wonderful lady.
God Bless,
Chuck Newlen

“ Dear Elmer and Family,
There are no words to describe how special Linda was. My life and my childrens' lives are better for having her share her love with us. I pray that the gift of her life will bring comfort to us now.

“ I went to high school with Linda and we were great friends while I was there. After I moved to Florida years ago, Linda and I drifted apart. We "found" each other again on the internet about two years ago right before my husband Keith was "diagnosed" and right before Linda was "diagnosed". I am so glad I got to "reconnect" with her and I am so sorry for her loss. She was such a sweet sweet person.
Elmer, I never met you but you were a very lucky man to have had Linda in your life. My thoughts and prayers are with you.
All the best to you and yours,
Sue Hurst

“ Dear Elmer & Family,
When I think of Linda I will always remember her gentle serenity, wisdom, and courage. She led in this spirit as a powerful example to all who knew her. May you find comfort in this same spirit through the difficult days ahead. May you be surrounded with God's gentle love, and upheld through the prayers of so many!

“ Elmer and Family, Linda was a very special lady and helped so many ladies in AA. My prayers are with all of you during this sad time. She helped me to be a better person, had a full heart of love for others. I know that God has his arms around her now and that she is at peace.

“ *Elmer and family, sincerest sympathy for the loss of Linda to eternal life. She was a lady of grace, wisdom and laughter. In my own mind I secretly called her St. Linda, years ago when I first got to know her. All of us who were privileged to know Linda are touched by the good life she led and the kindness she always showed to others in word and action. I am a better person because of knowing her and following her example. Elmer, I know you will feel Linda's presence surround you as you go on in your life. She will never leave you alone but will fill you with her light and joy. Linda's love for you will lead you on your journey until you meet again.*
