“*To Linda's Family: You should be so proud of this fine young woman. Linda was truly one of the kindest people I have ever met. She was always in a good mood, positive and upbeat. I had the pleasure of talking to her frequently and please know what pleasure she took in visiting her family in Tennessee. I know she adored her nieces and was so thankful for having Shawn in her life. I will treasure the time that we had together and am so saddened that she was taken so young. You are all in my thoughts and prayers. Linda Gramza*

“ Linda could brighten a room with her smile. In Specialty Services she was always there for all the leads, lending a helping hand, finding out information for you and some times just saying silly things to make you smile when work was stressful. Taken way too early from this Earth. My sincerest condolences to her family for the loss of this special lady.
