“ Linda I can't imagine the world without you in it..You have been my touch stone, my confident, my first roommate..You have been one of my dearest friends since 7th grade. I will miss our late night talks, our dinners together, and our monthly luncheons with all of our old friends. Your generous spirit, your candid advice, the way you rolled your eyes at times will forever be in my memories. You were more than a friend, you were my sister. I am so proud of how you handled yourself with dignity through this wretched disease. You my friend were a woman of COURAGE..Forever in my heart. I Love You, I Love You..May you RIP Ginny
