“ It's been too many years since I saw Aunt Lois in person, but I'll always remember that she was such a classy lady, both inside and out. Faye, Shawana and Genell, please know you're in our prayers and thoughts. My Papaw loved his big sister and she loved him. She was such an easy person to love.

“ I have known Miss Lois since Shawana and I first met in 7th grade. Our visits back to Eastlake were not complete without a stop at the Johnson residence. She truly was and still is one of the most amazing women I have ever known. She is smart, witty, talented, determined, and a child of the King. She raised her children to be the same. Miss Lois, you will be missed by all, but we will meet again one day, and what a happy reunion it will be.
