“ I went to school with her daughter Kathleen. I did not know Lois personally but heard a lot about from Kathleen during school. It was great that her family could be with her at the end. She is very beautiful person on the outside and from what I have heard from Kathleen she was beautiful and loving on the inside. I know she will be missed by all who knew her.

“Lois was one of those people who had a truly beautiful soul. When she was in the room you always wanted to be near her because she made you feel like the most important person in the world. She was a patient listener and always gave the best advice!! I never heard her judge or say a bad word about anyone. The world lost a wonderful lady but heaven gained a perfect angel. I know she and Iggy will be watching over their family, shining their bright light on all they touched.
