“ *Neely Family:  
I cannot tell you how warmly your mother and father welcomed Angie and me into your home. Plus how much each of you, Kathy, Kelly, and Michelle made us feel like one of your family. May the Lord richly care for you all during this time of mourning. And may His solace and that of the Church bring you rest and peace.  
In Jesus\' joy,

“ *I count Lois as one of my good friends and a great inspiration in my life. Kelly, Kathy and Michelle, mom loved you all so very much. Please, when you think about mom, don\'t think about her pain; think about the glory she\'s in the midst of. Remember, God has the first word and the last, and everything in the middle doesn\'t matter anymore.
