

Lois Jean Wagner

May 18, 1950 - April 28, 2026

Lois Jean Wagner, age 75, of Willoughby, passed away peacefully on April 28, 2026. She was born on May 18, 1950, in Cleveland, to the late Robert and Jean (née Duffield) Blackburn.

Lois was a woman of immense heart and dedicated service. A happily retired nurse, she spent her career caring for others with the same compassion and steady hand she brought to her own family. She was the cornerstone of her home and the devoted wife of Jeff Wagner for 41 wonderful years.

Beyond her professional life, Lois lived for the simple, joyous moments. She was a true adventurer who loved camping and traveling, but was equally happy in her kitchen, where her cooking brought the family together. To those who knew her best, Lois was a "hardcore" fan of the Green Bay Packers; she carried her team spirit with pride and never missed an opportunity to cheer on her favorite team. At home, she found great comfort and companionship in her beloved pets, her dog Sophie and her cat Max, who were dear members of her family.

Above all, Lois's world revolved around her family. She was a dedicated mother and a profoundly proud grandmother who found her greatest fulfillment in the successes and happiness of her children and granddaughter.

Lois is survived by her loving husband of 41 years, Jeff; her children, Megan and Benjamin; and her cherished granddaughter, Zoey Andrea.

She was preceded in death by her parents, Robert and Jean Blackburn; her beloved son, Brian; and her brothers, Robert Jr. and Jeffery.

In honor of Lois's vibrant spirit and her upcoming 76th birthday, the family will host a Celebration of Life around the time of her birthday, May 18th. Specific details regarding the time and location will be shared by the family in the coming weeks.

Lois will be remembered for her nurturing and thoughtful spirit, her unwavering love for her family, and her spirited "Go Pack Go" energy.
