“ *My dear friend and classmate. I'm sorry to see you go but I know you are in a better place and with your son and dad. Your smile always lit up a room and I remember our friendship in high school and our Moms being friends since childhood days. You are now at peace with no more pain. Love you, Karen Spencer.*

“ *I was so sorry to hear of Lorrie's passing but I believe she is at peace and safe in the arms of God. My deepest sympathy to her children, mother and family. We were related through her grandfather, Frank Phillips, who was a first cousin to my late father, Stephen Beres. Those we love still live on in our memories. Mary Ann Beres Morrow*
