“ *Condolences from the Red Eagle Distillery. He loved our brandy and came every week to get 2 bottles. He would always tell us jokes, and asked me if I needed his autograph on the receipt like Elvis. We will miss him!*

“ *Louie and his family are in my thoughts and prayers. I had the honor of working with Louie and having him as a friend for over 30 years. He was hard working and one of the kindest people I ever knew. For many years Louie would host Syl, Rick and me to sit around the pot belly stove in his shed, eat ethnic food and solve the world's problems. Louie ate garlic like candy and I'm convinced that's what made him so strong! I can never think of Louie without smiling. I will miss you, my friend! Ken Gamiere*

“ *To the Zajec Family;
My deepest condolences for the loss of Louie. I have the pleasure of working over 20 years with Louie at Lubrizol. He was a hard-working man who always had time to converse with me. He had a great sense of humor. He loved having his hands in the dirt. He was most proud of his garlic. I will remember him in my prayers. Rest in peace, old friend, and may the angels lead you into paradise 🙏🙏*

My deepest sympathy to Louie's children and grandchildren. Louie and I were able to be together enjoying one another for 5 years. He was a great man. One of the many things I loved about him was when anyone new would come over we would walk around the lake always feed the fish. You are I. Paradise now with our Lord Jesus Christ. You will be missed by many. ❤️
