“ Dear Baker Family, I am so sorry to have read of your loss; please accept my sincere condolences. Something that I have personally found to be of great comfort are the thoughts expressed at John 5:28, 29 as well as Revelation 21:4. In these verses we find a wonderful hope for the future of being reunited with our loved ones upon the earth the way it was originally intended--free from sickness, suffering, and death. Knowing this has comforted me greatly and it is my sincere hope that these thoughts comfort your family as well. Again I am so sorry for your loss. Rebekah
