“ To Deanna and family,
I just wanted to tell you how stunned and sorry I am to hear of Luke's passing. He was great person, and great to work with. I had the opportunity to work with he and his fellow ABB team on projects for us at Intermountain out here in Utah and during check out in Wickliffe. He was the 'kid' on the team and brought energy, humor, and optimism to the work. I considered him to be a good friend. Most impressive to me was how important each of you, his family, were to him. I am certain you will remain so, though from his view in the heavens.
My deepest prayers and wishes of comfort to you at this time.
Sincerely,
Ken Nielson

“ Deana, Mike, Bella, Ava, and to all of your extended family,

I think all of you know how much Luke means to me and to my family. Luke babysat my kids and my dogs, help build our swing set, our deck, and our barn. He volunteered to help us move BEFORE I EVEN ASKED HIM. He was one of a kind and I miss him terribly already.

Luke's willingness to help out was unparalleled, but the thing I will miss about him the most, is just the way I he made me feel. I always felt like I must be alright if someone as awesome as Luke wanted to spend time with me and call me his friend.

To me Luke was like family. All of your are my family too. I hope you'll give me many opportunities in the years to come to repay some of those favors, and to return to you some of the kindness that Luke has shown us for all of these years.

*He will live on in our hearts,
Love - Mary Parrish and Family*
