“ *John, Eileen & Jim*
There are no words that can replace the loss of your Mother or fill the emptiness in your hearts.
But I hope it will help you all to know that I know what you are going through and that I do care.
I am so sorry I cannot be there with you and your families.
But I do have you all and your Mother my Aunt in my thoughts and prayers.

“ *Jim, John & Eileen - There are no words that truly comfort the hurt I know, from experience, you are going through now. The best I can do is say that I empathize. Most importantly - I have fond memories from our childhood years as well as some more recent. I will always think of the recent visit when we sat with Aunt Eileen & cheered on her beloved Indians playing a home game. God Bless.*
