“ Dear Lisa, My deepest sympathies to you and your entire family on the loss of your mom. I can remember all the memories from St. Jerome and the old neighborhood. It has been some time since I have seen you, but I wanted to let you know that my thoughts and prayers are with you at this most difficult time. I know what it is like to lose a family member during the holiday season. So if you need to talk or something, feel free to email me. Again. I offer my thoughts and prayers to you. Mark Dieterich.

“ Our deepest sympathy for your loss. Margaret was so good to us when Dan's mother passed away eight years ago. She had a way of making those around her feel comfortable and at home. On our way home I told Dan that I wished we lived closer to Margaret and Buck. She will be remembered always in our hearts.
