“ I first met Marianne at the Tap House in the mid 80's. She was one of the nicest people to not only wait on but to talk to and get to know. When it closed, we didn't see one another until we ran into each other at Mulligan's, where I was working at the time.

We caught up and talked like we had seen each other the week before. A few years passed and I next saw her at Tom "Tall" Ackerman's funeral. We vowed to keep in touch. Life happens and it wasn't until about three years ago I ran into at Cebar's, where I ended up working a couple days a month. She was still the kind, warm person I got to know many years ago. I looked forward to seeing her most Saturday's. I know how much she loved and missed her mom! Although I will miss her deeply, I think she is at peace now that she and mom are reunited. RIP my friend, God speed.

“ I loved Marianne and will miss her terribly. She and I worked together for over 20 years even though it was mostly over the phone since I'm down here in Oklahoma. But the times I did get to see her were wonderful, special and memorable. I especially remember getting to go by her house in March of 2019 so that her dog, Lucy, could meet and play with my dog, Cooper. Cooper loved Marianne and we laughed all evening long. Because of her love for all animals, we made a donation to the Cuyahoga County Animal Shelter in her memory.

May God bless each of you as you remember and honor the memory of Marianne.

“ *Marianne and I were classmates from first grade through high school. I remember her as always having a smile for everyone. Through these tributes, I learned that she continued to bring joy to her family and friends. I was surprised to learn that she was only three days older than me. I wonder if we spent time together in the same hospital nursery!*

With deepest sympathy as you remember Marianne.

Sincerely,

PS. I found our third grade class photo. Would have loved to have a laugh with Marianne recalling the time Richard Roland jumped out of the classroom window.

She loved our cats and dogs as if they were her own and was always a joy to chat with when outside in the yard or taking a walk with our son. We will miss you and hope you are playing some golf and drinking a beer for us wherever you are. We love you. Jordan, Hayden and Bethany Saran*

“ Our hearts break for our sister, Mary and for the Chinchar family. Marianne has been a part of our family for 25 years as we grew to know her through her relationship with our sister. We have many fond memories from family gatherings, St Patrick’s Day celebrations, trips to the Casino for our yearly Kentucky Derby enjoyment, Pasta for Puppies fundraisers, Christmas light excursions, and so many more. Marianne was a joy to be around. Her love for animals was infectious as she always gave our pets the best hugs and kisses. She will be dearly missed by all of us - as one of our own - our sister, aunt, and daughter. We love you - Marianne!

She and I were co-workers for a long time and became very good friends over the years. There are a million little things I will miss like our witty banter back and forth, conversations about my kids or Lucy (which we all know was her baby), or her annual crash of our OSU vs. Michigan party. I Didn't know Marianne personally very well, only through her brother Matt and from her mom's funeral. I remember how dedicated Marianne was to her mother. I'm sure it was not always easy living with your mom but you could just see the devotion Marianne had to her. And how really torn up she was when she couldn't bring her back home, after the hospital, in the end. She was a very devoted daughter and I'm sure a true comfort to her mother in her old age. God bless you. Marianne. May you find that same comfort back together with your mom. And may both of you rest in peace in our Father's arms.

I had the please to work with Marianne for most of the past 16 years. We had many great conversations over the years and it was clear she loved her family those around her. She was always willing to help and she helped me much at work. She loved golf and she was a force to be reckoned with during our weekly office putting competitions! I lost more putting challenges to her than I won. I will miss her dearly.

Marianne was a classmate of mine at St Mary Magdalene. Her shy manner and infectious giggle and smile has always resulted in fond memories of her. I have often spoken with my family about the wonderful years spent at St Mary Magdalene with Marianne and our other dear friends. I wish I had an opportunity to visit with her during the many years since I left Ohio.

My deepest sympathy to her family and loved ones.

Our deepest condolences and sympathies to the entire Chinchar family on the passing of our cousin, Marianne. She was a fiercely competitive athlete who was even more fiercely dedicated to the care of her mother. There has to be a special place in God's graces for so selfless a person.
