“ To the family and friends of Marion "Ma" Bocian: it has been a true pleasure knowing and having this person in our lifetime. With her strength, her will and her actions, she became a true role model to myself and I'm certain to many others. The memories of old and recent will stay with us forever. Yes, the trips to the beach when we were kids, all the way to conversations in recent years around the kitchen table.

She always seemed to be able to put everything into perfect perspective. Thinking of her, gives me such calm, that I know her spirit will always be with us. We have all lost a true friend. My thoughts are with you, Jerry, Ron, Cathy and Family...Love, Marijane
