“ *Somehow they left out her stepdaughter Susie, and her sisters Ruth, and Phyllis. They're all having a beer and wondering why we won't behave.*

“ *I miss you Mommy. You were my best friend. The person I watched sci-fi with, read comic books with, went on rides in the car with just because. Today would have been a nice day for us to get "lost".*

“ *We thought of you with love today,  
But that is nothing new,  
We thought about you yesterday,  
and days before that too.  
We think of you in silence,  
We often speak your name,  
Now all we have are memories,  
And your picture in a frame.  
Your memory is our keepsake,  
With which we'll never part.  
Your loving spirit guides us,  
We will always have you in our heart.*

“ *The finest angels carried you on their wings for your final journey; peace will await you. Our lives were richer because of you, and the memories we have will keep you with us, always.  
We love you dearly and will miss you so much.*
