“ Dear Bill,

My heart bleeds for you at the loss of your love. Marge suffered the loss of your beloved Billy and I don't think she ever recovered (well, I don't believe you can recover from the loss of a child). I will always remember Marge with love. I just loved her laugh and her kind heart. She was never afraid to put John in his place and I loved the way they would go at each other. May you find some peace in the love of your daughter and grandchildren. May she rest in peace and eternal light shine upon her.
