“ *I always thought of him as my baby Uncle (#11of 11). When he went into the military my Mother (Cecilia) was so fearful. But he came back to us safe and sound. In older times I would sit with him and share family stories. He was so interested in what was going on with us kids. I had the privilege of spending Easter Sunday with him at his home, and doing just that, talking about family. He was all smiles. I will miss you so much.*

Uncle Mark was such a wonderful Uncle he had such a heart of gold. Everytime we would see each other he would always say to me are you twin 1 or twin two. And I would say I am twin 1. You will be truly missed.RIP Uncle Mark.

Uncle Mark was also my Godfather. I have been so blessed to have known him and to be related to him. I always heard kind words from him. He was the definition of a good Christian. Always willing to listen and help others. He had a wonderful warm heart and all who new him will miss him. I sure hope I will get to see him again someday.

His smile was contagious. His humbleness was appreciated by many. His goodness continues on with the many great things his family has done, which made him so proud. During this time, our prayers are with you!
