“ I keep expecting you to come walking around the corner, with a smile on your face, just to tell me about some wild and crazy thing you just did. There was never a moment you were around that you didnt make me laugh. We miss you Mark. You will forever be in our hearts. We will always love you. We may have to say goodbye for now, but we will meet again. So until then...rest in peace.

“ Mark, we will miss you so much. I wish we could just one more time sing karaoke "That's what friends are for", or call mom "stiflers mom" or just be here. We spent a lot of time together. We love you and will always remember you.
Bye for now Mark!
