“ Stefanie, Steve and Michael- We're so sorry of Marks passing. As kids we were always together for holidays, cook outs and just visiting. My favorite memory of Mark is one time we were being silly at my parents house. I dressed him up as a “beatnik “, my moms’ black tam on his head and candy cigarette hanging from his mouth , I had used my mom’s eyebrow pencil to give him a beard and mustache. There had been a picture taken of it but I don’t know what happened to it . As we got older, I’m sorry we didn’t keep better contact. We are so sorry for your loss loss and offer prayers during this difficult time . Love to you and your family.
