

## Marland Roy Johnson

November 28, 1941 - June 18, 2014

Marland Mark Roy Johnson, age 72, of Eastlake, passed away Wednesday, June 18, 2014. He was born November 28, 1941, the son of Harland Gilbert and Martha Strandburg Johnson, both deceased.

Mark was very proud of his Swedish heritage and delighted in references to Swedish jokes and Swedish foods. He was the owner and operator for over 25 years of the computer company Data Solutions, Inc., and worked previously as the VP of IT for Broadview Savings & Loan and a software consultant at IBM. Mark was a successful entrepreneur and an early pioneer of commercial computer software. He led his employees by example with a belief in hard work, passion for quality, relentless customer focus, and he also had a knack for debugging his employees' computer programs with a red pen.

Outside of his career, Mark was an avid fan of local Cleveland sports teams, high school sports, and an Ohio State fan. Mark loved walking and being outdoors. He enjoyed his boat, jet skiing, camping, and his pet dogs, Toby & Bella. Often times you would find Mark reading historical biographies or working on a crossword puzzle. He was a proud and loving father, grandfather, and great-grandfather who will be greatly missed.

Mark had fun times with all of his cousins, Nancy Terry Ellis and their family, Alan and Jack Strandburg, Bonny Davis, and Michelle Johnson.

Mark is survived by his loving children, Devin Johnson, Eric Johnson, Kelly Johnson, and Susan Jamie Miskey, his grandchildren Lindsey May, Brooke Bucary, and Krista Justin Block, his great-grandchild Noah Block, and former wives and mothers of their children, Carol Smith Johnson and Mary Lynn Stewart Boehm.

He was preceded in death by his parents.

A private family burial will be held at Sunset Hill Cemetery in Lakewood, NY on Saturday, June 28th, 2014. Donations may be made to the Lake County Humane Society.
