“ Mr. Hulin was the leader of our local Cub Scouts, Pack 56. As a nine year old boy, I remember him as being exceptionally friendly, patient and kind. I remember him leading the entire pack in song and producing humorous little skits using the scouts as actors. I remember him as a man who thought children were important and worthy of respect. To this day, he has the best Adam's Apple I've ever seen. I am saddened at the passing of a man so worthy of long life. Tom Salopek, Pack 56

“ Remember Marty from scouts and he was friends with my parents and our family. He helped install a furnace with my Dad in our house in Euclid YEARS ago. Mary Jo and I were in the same grade. He was a great guy. Breaks my heart

Glen Zerby:
Thanx for the kind words regarding our father. Your comments bring back a lot of good memories growing up in Euclid. My father really liked your family especially your dad who was very helpful in scouting. We hope life has been good to you and your siblings.
