“ Marty was a great friend of mine . Met him and Carol when we joined Christ Lutheran Church.
One of many great memories comes to mind when he and I drove out to his camp to see if we could do something to fix an awning on his trailer . On the way back I seen an old falling down barn and I wanted to take a picture of it we pulled in and got stuck in the mud I was driving. I thought we going to get arrested or shot for trespassing we laughed about that for years . Marty always could make me laugh even in a bad situation

“ i remember Uncle Marty as always being a nice and happy man when were kids. He would always play with us even though he was older. I always thought that was great that he took the time for us. May he rest in peace.

“ Marty was such a sweet and kind-hearted man, always with a smile. Rick and I really enjoyed getting to visit with Marty at the family reunion. As saint Paul said, " to be out of the body is to be with the Lord. "Take comfort in knowing Marty is with our Lord, Jesus. May God bless all of you and give all of you peace in your heart. All of our love, Carol and Rick

“ I think what I will consider as my Uncle Marty's legacy is the unwavering and very evident love he had for my Aunt Carol, for over 50 years; that love - - along with unwavering faith - - sustained them through all the ups & downs that over 50 years of life together can bring. And through it all, I will remember his ability to bring a smile to those of us round him with his sense of humor!
