“ *what is the difference between "faith" and "Hope" ? Well as it was revealed to me on my way to CAH 29yrs ago, If you have "Faith", you believe, if you have "Hope"all your doing is wishing ! You told me that you have never heard that before !! your kindness along with your brother Chuck has had a big impact on me. There is a Big difference between being nice and being kind. Marty Walsh along with your brother Chuck are Kind Men !! Thank You !!*

“ Dear dear Marty,
I met you first at the Newburgh group awhile back, and I always loved your enthusiasm and love for Alcoholics Anonymous and all the people in the program. Thank you for the many conversations I had with you back when I was new and struggling to 'GET IT!' You were kind and always a gentleman, and you helped me more than you know. Your smile and sense of humor made talking to you not only inspirational but oh so fun.

You are a great power of example for so many Marty! Thank you for all you've done for so many and for me. And your presence at the St. Ignatius Football practices will be missed. Rest in peace my friend. You fought the good fight and God has another angel by his side today.

Love and hugs,
Susie Restifo

“ To the family of Marty, and to his dearest brother Chuck, you helped me many times in my life. Kind words of concern after a meeting, speaking at meetings for me, many years of seeing you both like our version of the dynamic duo! It's hard to think of one brother without the other by his side.
I know you're in the best place right now! Your belief and faith in that was so strong and demonstrated by you. Godspeed Marty.

“ Marty was a pillar of AA known by everyone on both sides of tow. He carried the message like no one else. Always promoted the Sister Ignatia Mass, The Memorial day Mass and Breakfast and our beloved Bus Rides to the Abbey of Gethsemani.. He would talk about Vic Zublic, Sid Stanton, and the rest the whole long way down. His delivery was like listening to a 1936 Newsreel. I was an honor to trudge the whole long eay with you, my Brother.

“ You will be missed, my brother. You made a difference in my life and many others. I know you are with God now as you were in your life in AA. With the new wave of Covid, I will be missing your Mass, but I know you understand.

For Marty an Ignatius game might already be Heaven or at least “Heaven’s vestibule”.
