“ Words cannot express what me and the girls meant to you, the laughter from mickaela giving you attitude and sharing "your" popcorn with no one but jayde, and seeing me and saying "can I have a hug". I'm pretty sure I never beat you in cards which annoys me lol prob Mike the most hah. Prob one of my favorite memories is you telling me which items to move around in the living room only to annoy Lisa have her come In fix it then you say do it again. You got so much joy out of the smallest things. I know your in a better place and your knees better not hurt anymore! I miss you and love you and it's still not real.

PS

You were an awesome uncle! You made the best chicken tacos on the grill and always opened your home to me. You will be deeply missed. Love you. RIP UNCLE MARTY 🙏🏻🙏🏻

It didn't matter how much time there might have been between visits, I knew I was welcomed to help myself. Of course, I would always check the top of the stove since you ALWAYS had enough food cooked for everyone. You would cook enough to last a day or two just for when your family stopped . Like you always said" You leave hungry it's your fault"! Just to let you know I'll wait a few before moving items in the living room.

PS

It doesnt feel real that he has passed. He always wanted everyone to feel welcomed in his home and to eat. I loved when he put all of his food in plastic containers just in case family/company would stop by. He will be truly missed. Love you uncle Marty! 🙏🏻😊❤️😭
