“*Sorry for the loss of this wonderful lady. She was always gracious and sweet and very welcoming to me throughout my visits with her family. Mary Ann personified kindness and a non-judgmental spirit. She had a tough way to go in her final years but still remained mom and grandma in the best of ways. Sorry I couldn't be there for the service.*

Love, Rip.

“*Although we lived miles apart, I felt close to Mary Ann and honored to have her as a sister as well as a best friend. She loved her church, her friends and most of all, her wonderful family. She will be missed.*
