“ *Diane, I know this is a very difficult time for you and your family. The care and love you displayed to your Mother throughout her illness and your outlook have been an inspiration. I will continue to pray for you and wish that I could be there to further support you.*

“ *Diane,*  
*You and your family are in my prayers. I know this is a difficult time for you but remember the good times and keep her memory alive. The joy we have is that we will all see each other some day. Wish that I could really do something for you but OH & SC are a little far apart so I will just pray that God's love will uplift you. Tina*
