“ *To Family & Friends of Mary Lou:
I saw or talked to Mary Lou every day. She was a constant in my life. I will miss the laughs, our shopping trips, our walks in the park she wore flip flops, of course, travelling with her and playing scrabble on our patio to name just a few. She was such a part of my life every day. I am constantly reminded of her. I was so blessed to have a friend like her. She was inspiring, courageous, good hearted, fun to be with, easy to get along with and extremely generous. I will always carry her in my heart. I take comfort in the fact that she has finally found peace,*

“ *I have so many great memories with Mary Lou..starting in our teens...but the most precious to me are the adventures we had this past year...especially New Years Eve 2009 at Presque Isle Casino. Mary Lou's courage and strength will always be remembered, as well as her laugh. May she rest in peace. Susan Dritz*

“ When we moved in next door, MaryLou was one of the first people we met. Who knew that we would enjoy so many good times....I feel blessed to have her for my friend and neighbor. Things I will remember and hold dear...her cheerfulness, her willingness to watch my cats..or feed any cat in the neighborhood...Her perfect hair...how everthing had to match...her pedicures...her love of shopping..and don't forget lunch! Dark choclate..her favorite.Everything in the house organized perfectly. MaryLou always remembered birthdays...and along with that, beautifully wrapped gifts. So many "small" things make up the big gift of friendship that Mary Lou shared with us. We will surely miss you MaryLou.

“ To Mary Lou's family,
I meet her when we moved in next door in 1999. She showed unbelievable courage during her sickness. I have never witnessed such strength. Follow her example and enjoy your life as she enjoyed hers. She left us with some wonderful lessons about life. I will miss her.

“ *Brian, Adam and Family*

I have known Mary Lou since our kids were in elementary school. A few years ago we started having lunch at least twice a month. I am so grateful for the time I spent with her. I will miss our lunches and her laughter. She was a fighter.

“ *I am so glad to have had the chance to know Mary Lou. She was an inspiration to her family and friends, and she was an energetic, enthusiastic force to be around. We had some happy and loving times together, including working on non-profit fund-raising projects and sharing meals and good times, that I will remember her by.*
