“ Dear Laura and Diane,
I'm so sorry to hear of your Mom's passing. She had a kind and loving heart, an infectious smile and a great laugh.
In fact, when I think of her, I just smile. She always made me feel so warm and welcome.
I have very fond memories of Dee Dee's birthday parties on Christmas and our gatherings at Uncle Stevie's farm on the 4th of July.
May these and other great memories keep your Mom close to you at this most difficult time.
