“ Dear Moster Family,

*I would like to express my condolences to you for your loss. Losing a loved one can be very difficult, but there is something that can comfort us during this time. The promises found within the Bible can help to comfort us. Notice what the Bible says at John 5:28-29 "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." So we have the solid hope of seeing our loved ones again in the near future.*

*With Sympathy,
