“ I am so sorry I was not able to pay my last respects. You are my Godmother and we both shared the same birth date. I knew something was not right when my cards went unanswered. You have never forgotten to send me a birthday card and I even received one after your passing, but when you did not send a Christmas card, I thought you might be ill, since you had not been feeling well the last time we spoke. I cannot believe that I found out more than a year later that you had joined my Godfather and your daughter in Heaven. Thank you for being there for me when both my parents passed away. You have a place in my heart forever!
