“ *Our hearts are so heavy to learn of Mary Ellen's passing. What does one say at such a time? Words don't seem adequate. We're so glad she was able to come to the Snyder family reunion a couple of years ago. It was great to be able to do some catching up. It was wonderful to be able to reminisce. She shared stories I had never heard before. We laughed. She was just as I remembered her... beautiful and funny. That is how I will remember her. Know that you, Robin, Debbie and Bill, your families, and all those who loved her so much, are in our thoughts and prayers.*

“ Robin, Debbie, Bill and the rest of the family,  
It was a shock to learn that Mary Ellen had left this life. I remember those good times long ago when were kids, gathering in Pratt, WV at our grandparents' house for Christmas. And then there are the recent years' memories when we would try to get everyone together for family reunions. It seems like we never got to spend enough time together. And now, another member of our family has passed on.  
Our hearts break for you at the loss of your mother. Memories are such precious things. I pray that you find comfort in thinking back on the good times you got to spend with Mary Ellen. Treasure those memories always!

“ I clearly remember the day that I met Mary Ellen. I was travelling to Canada and stopped at a gas station in New York where I ran into Norm and Mary Ellen - that was the beginning of a relationship that introduced me to her lovely family members. I always looked forward to Christmas with the entire family and enjoyed seeing how much the grandchildren had grown from one year to the next. Mary Ellen will be very much missed. My thoughts and prayers are with the entire family.
